MARSH CREEK GERMAN BAPTIST CHURCH.—See Page 2.

NEW CHURCH DEDICATED

THE GERMAN BAPTIST CHURCH ON SUNDAY MORNING.

A Sermon of Great Power by Elder Beahn Marked the Occasion.

The church edifice of the German Baptist Brethren on Stratton Street is typical of those who worshipped within its walls and dedicated it to the service of the Lord on last Sunday morning.

The building is substantial, plain and simple. The former church on the Baltimore turnpike had been taken down carefully and as much of it as could be used entered into the present structure. The church was cased in brick, being unlike the former structure in this particular. The same pews were used.

The church is 33 by 40 feet and the whole space within is used for the auditorium, except a vestibule, which is separated from the room by three door ways, leading respectively to the middle and side aisles. It has a seating capacity of 300.

Elder N. H. Beahn, of Elizabethtown, delivered the dedication sermon taking as his text 1 Cor. 6 chapter, 13 verse. After speaking of the dedication of the building to the service of the Lord, he referred to the more important matter of the dedication of the human body to the same service. That this dedication could be best carried out by living the simple life, the plain life, which has been a characteristic of the Brethren. That this life was made up of old time virtues: honesty, and no man could be honest with his fellowman until he was first honest with himself. Patience was a need of the plain life as well as a need of the times, as also, earnestness and perseverance. It was a sermon of great power and listened to most attentively by a large audience filling the church.

It was stated that a small debt remained to be met, as cost of erecting church had exceeded amount at first estimated and provided. A liberal collection was taken up.

Elder N. H. Beahn spoke at the services on Sunday evening.

A Novel Introduction.

The Dr. Howard Company have entered into an arrangement with L. M. Buehler's drug store, by which a special introductory offer will be made of 25 cents on the 50 cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a new discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief, it makes permanent cures.

So remarkably successful has Dr. Howard's specific been in curing constipation, dyspepsia and all forms of liver trouble, that L. M. Buehler will return the price paid in every case where it does not give relief.

The old-fashioned idea of dosing with mineral waters, cathartic pills or harsh purgatives will soon be a thing of the past. The best physicians are prescribing Dr. Howard's specific, both because it is so remarkable a medicine and on account of the small dose that is needed.

Headaches, coated tongue, dizziness, gas on the stomach, specks before the eyes, constipation and all forms of malaria and liver trouble are soon cured by this scientific medicine.

HONORABLE FRANCIS COLE

AN UPRIGHT AND USEFUL LIFE CLOSED.

Many Deaths in County—J. H. Dentler Contracts Fatal Pneumonia at His Own Sale.

Hon. Francis Cole died last Wednesday morning March 21 at his home at the head of the Narrows on the banks of the Conowingo in Franklin township. He had almost completed a life of four score years, his age being 79 years, 6 months and 8 days. He had been ill for more than a year with cancer of the stomach. Recently his condition had been growing critical yet within a short time of the end he had a return of strength that gave him many friends hope and encouragement that he might pull through.

Frank Cole as known by every one was a familiar figure to men, women and children in every part of the county and for every one he always had a kind cheerful greeting. With a kindness of heart was coupled a sterling honesty and a rugged uprightness that endeared him in the hearts of his neighbors and fellow citizens. When reverses came to him in his old age by losses not of his own making the sympathy of every one went out to him and through the ordeal he maintained the high respect in which he was always held.

Mr. Cole was born in Berkenhausen Hesson Darmstadt, Germany, Sept. 13, 1826. His parents emigrated to this country when he was but four years old and settled near Chambersburg where his mother died. In 1840 his father bought of Jacob Wilt his farm in Buchanan Valley, the family moving there and in 1842 the father died leaving five children, George, John, Francis, Barbara, and Elizabeth. The children lived together for 15 years.

In 1856 Mr. Cole purchased the farm of 558 acres at the head of the Narrows and going into the saw mill business extensively he added acres after acres until he became the owner of an estate of 1870 acres, much of it covered with magnificent timber. Part of the lumber business when he began was hauling lumber to Baltimore and on the return trip carrying store goods to points all along the route, even as far west as Pittsburg.

Francis Cole believed in Democracy with all the rugged honesty of the man, and the people of the county believing in him gave him rare honor of serving twice in the Legislature. He was first elected in 1888 with Dr. John J. Brown of Hampton and second time in 1898 with Hon. C. H. Dutta of Littlestown and gave a faithfulness of service characteristic of the man.

In 1854 he was married to Sarah Devine, sister of James Devine of the Conowingo Chapel farm. Of this union were born four daughters. He was married a second time to Mary L. Livers, sister of John A. Livers, a former resident of Gettysburg and of this union ten children were born. He is survived by his wife, four sons and five daughters, W. Albert Cole and John F. Cole of Buchanan Valley, James C. Cole and Francis J. Cole at home, Mrs. Besser of Pittsburg, Mrs. Dr. Tate of Altoona, Mrs. McElmorn of Buchanan Valley and Regina and Edith at home.

Francis Cole was a life long member of St. Ignatius church in the Valley, faithful and true to his church. In his church on last Saturday morning a mass of requiem was conducted and afterwards the body was interred in the church graveyard.

J. Hiram Dentler died on Sunday March 18, at his home at Two Bridges on Harrisburg road from pneumonia, aged about 56 years. He had a public sale on March 8 intending to remove to a house in Heidelsburg he had purchased. He had a cold and the exposure on day of sale was such that he took to his bed the evening of that day. He was a native of Washington Co., Md., and had made a success of farming. Funeral was held on last Wednesday with interment at Franklin church graveyard. He leaves a wife and nine children.

Mrs. Margaret Heltzel widow of Daniel Heltzel died at her home in New Oxford last Thursday aged about 70 years. Funeral on Saturday afternoon, services by Rev. S. P. Manger, interment in New Oxford cemetery.

Henry Feiser died on last Thursday at the County Home aged about 60 years. The body was taken by J. W. Garlach to Hanover and interment took place at Silver Spring, Md. He is survived by two brothers, one living at Woodstock, Md.

Kemper Thomas was recently taken ill with pneumonia and news came yesterday that he had succumbed to the disease on Monday at his home in Harrisburg. He moved to that city from Butler township about two years ago. He was the son of Geo. Wm. Thomas and grandson of the late Martin Thomas of Butler township. He was about 40 years of age and was married to a daughter of Hon. Edmund Stagle who survives with two children. He is also survived by his father and one sister, Mrs. John C. Walter of Riegelsville.

John Hoover of Liberty township died on last Thursday afternoon at the age of 82 years. He was at work making shingles when taken suddenly ill with heart disease and died before a physician could reach him. Funeral on Monday. He leaves one daughter, Mrs. Davidson of near Zora.

Mrs. Elizabeth Resh, wife of Daniel L. Resh of Mount Pleasant township died on March 18, aged 62 years, 10 months and 17 days. Funeral on Wednesday of last week, interment at Grace Lutheran church. Two T. C. of which church she was a member for past 25 years. She leaves beside

her husband two daughters, Mrs. Hiram Groat of Mount Pleasant township and Mrs. N. X. Groat of Frostburg, Md.

Mrs. Charlotte Sanders, widow of the late James Sanders, died at her home in Liberty township on last Friday aged 65 years, 4 months and 22 days. Death came after a lingering illness. Funeral yesterday, services at Catholic Church in Fairfield, interment in the church cemetery. She is survived by 13 children and 7 brothers and sisters.

Mrs. Emma McKinney, wife of Wm. H. McKinney, died in Hanover last Friday in her 43rd year. She is survived by her husband, parents, 2 sisters and 6 brothers, among latter are Mrs. Wm. Laughman and Mrs. Chas. Munimert of Bittinger and Henry Stanbaugh of near Abbottstown.

Mrs. Emma Kate Eichelberger, wife of Hiram Eichelberger, engineer on W. M. R. R., died on last Saturday after a few days illness aged about 45 years. Funeral in Baltimore yesterday. Mr. and Mrs. Eichelberger lived in this place for several years. She is survived by her husband and two daughters, Misses Fannie and Daisy at home. Her eldest daughter died suddenly some months ago.

Irene Baker little daughter of Mr. and Mrs. James Baker, died on Mar. 17 at Hagerstown, Md., aged 3 years and 24 days. The remains were brought to Iron Springs on Tuesday March 20th and interment was made in the Union cemetery at Fairfield. Services by Rev. Ritter of Fairfield.

COUNTY DEBT FUNDED

BY AN ISSUE OF BONDS IN THE SUM OF \$50,000.

Bonds Are For 30 Years Bearing 4 Per Cent. and Will Bring Co. a Nice Premium.

The Compiler stated the exact truth last fall when it said that Adams county was in debt \$40,000 and upwards. The county had not been living within its income, expenditures had exceeded receipts and no provision had been made except to borrow the money as needed. It was a condition that had been allowed to come to pass for which the party then in power Republican was responsible.

When County Commissioners John C. Group, Alex H. Rebert and John F. Bushey assumed charge of the affairs they soon realized that the financial condition of the county was worse than the Compiler had stated. The county was liable for obligations and expenses and there was very little money in sight with which to pay them, so that until the taxes for this year should come in the debt would be increasing. When the whole situation was thoroughly canvassed it was found that to start even with the taxes of this year the county was \$50,000 behind.

In looking over the item of discount paid last year on debt, and what would be necessary to pay out this year on same it was found that it would require \$3,000.

The commissioners decided that rather than have this condition continue the debt should be funded by a bond issue. They discovered that bonds at four per cent. would be eagerly sought. An issue of \$50,000 was offered several banking houses and Hayden, Miller & Co. of Cleveland, Ohio, made best offer to take at \$103.75 each \$100 of the debt at 4 per cent. and the funding was closed with this firm at this price.

The bonds will run 30 years. The 1 per cent. interest will require \$2,000 a year and about \$1,500 of the principal will be paid each year, so that to carry this debt will require but \$3,500, a few hundred more than the discount would have been and this sum will gradually grow less as \$150 of the bonds are paid off each year.

That this step was a wise one is shown by the fact that the money market is somewhat tight and the commissioners had been notified that the rate of discount the county was paying, 5 per cent., would have to be advanced.

Local financiers give unqualified approval to the action of the county commissioners. The price at which the bonds are sold will give a handsome premium of about \$1500 to the county. With the increasing expenses of the county it was absolutely necessary to provide some way for the payment of the big debt and this the commissioners have satisfactorily done without any increase of taxation.

That the commissioners have been able to fund the debt in a way so advantageous to the county must be a matter of gratification to every taxpayer.

This is how. Five years ago, he bought lead and oil to make 40 gallons of paint, and painted it all on two houses, one coat.

Last summer he bought 40 gallons Devos for the same, and had 10 gallons left.

Have your cake, muffins, and tea biscuit home-made. They will be fresher, cleaner, more tasty and wholesome.

Royal Baking Powder helps the housewife to produce at home, quickly and economically, fine and tasty cake, the raised hot-biscuit, puddings, the frosted layer-cake, crisp cookies, crullers, crusts and muffins, with which the ready-made food found at the bake-shop or grocery does not compare.
